**LEAGUE OF WOMEN VOTERS OF MASSACHUSETTS  
PUBLISHES ONLINE VOTERS' GUIDE  
FOR SEPTEMBER 8 PRIMARY ELECTIONS**

Concord, MA 8/18/16 — To assist Concord voters as they go to the polls on Thursday, September 8 for state primary elections, the League of Women Voters of Massachusetts (LWVMA) has published an online Voters' Guide, [www.VOTE411.org](http://www.VOTE411.org), that features biographical information about all candidates in contested state primary races, as well as responses by those candidates to questions posed by the League.

The [VOTE411.org](http://VOTE411.org) online guide will allow voters to access personalized ballot information simply by entering a street address. Voters will also be able to find in-depth information about candidates, voter registration, voting requirements and rules, and poll locations. LWVMA is bringing this digital platform to Massachusetts voters across the state for the first time for the September 8 primary; only those candidates who face a challenger in the primary election on September 8 have been asked to respond to this primary guide.

Later this fall, the information on [www.VOTE411.org](http://www.VOTE411.org) will be updated for the November 8 general election and all candidates will respond to a new set of questions. The general election guide will contain complete information about candidates for the presidential, congressional, state legislature, sheriff, Governor's Council, register of deeds, and county commissioner races, as well as about the statewide ballot questions.

"We hope Massachusetts voters will use this Voters' Guide to help make informed choices as they vote on September 8," said Jean Cherdack, president of the League of Women Voters of Massachusetts. "We are pleased to be able to provide this information and thank the candidates for their willingness to participate in the guide."
